# ALPENGASTHOF SONNE & SCHNEE

---

Welcome to Gasthof Sonne & Schnee in Kühtai!

Just imagine a summer holiday in Kühtai. The hiking trails lead up to 2,400 m above sea level, past more than a dozen mountain lakes. You can relax in pollen-free surroundings and experience sustainable well-being – thanks to our special location at altitude.

The idyllic resort of Kühtai was once a hunting lodge for emperors and counts. Today, it is an attractive summer holiday destination. Our small but lovely house in the heart of the Kühtai hiking resort promises a family atmosphere, a comfortable and welcoming setting and Tyrolean hospitality.
